E-Super Sweeper - Model E Super-600 | High-Performance Industrial Floor Sweeper

The E Super Sweeper E Super-600 is a powerful, ride-on industrial floor sweeper designed for maximum cleaning efficiency and operator comfort. Built with a rugged frame and advanced sweeping technology, it delivers outstanding performance in warehouses, factories, parking areas, and large commercial spaces. With a wide sweeping path, high hopper capacity, and reliable Kubota diesel engine, the E Super-600 ensures fast, effective cleaning with minimal downtime. Its durable construction, ergonomic operator seat, and user-friendly controls make it the perfect solution for heavy-duty cleaning tasks.

Specifications

NAME	PARAMETER
Length with side broom	2640 mm
Width with one side broom	1580 mm
Height (up to canopy)	2320 mm
Height (up to A/C canopy)	2555 mm
Dead weight	1865 kg
Sweeping width (one side broom)	1650 mm
Theoretical sweeping performance (one side broom)	17,325 m ² /hr
Sweeping width (two side brooms)	2000 mm
Theoretical sweeping performance (two side brooms)	21,000 m ² /hr
Gradability	20%
Filter surface	12 m ²
Main broom length / diameter	1220 mm / 360 mm
Side broom diameter	660 mm
Hopper volume	640 liters
Dump height	1400 mm
Engine type	Water-cooled, diesel (battery optional)
Cubic capacity	1498 cc
Rated power	26.5 KW
