High-Pressure Jet Washer – Industrial Grade Cleaning Power

Tackle the toughest dirt and grime with our Heavy-Duty High Pressure Jet Machine. Designed for professional use, this 1850 PSI powerhouse delivers precision and performance for car washes, workshops, construction sites, and more. Built with a robust brass pump, variable speed control, and an ergonomic handle, it's engineered for long-term reliability and unmatched cleaning efficiency. Reinforced wheels ensure easy transport, while the bold industrial design adds to its durability and style.

Specifications

Name	E-JET 160
MotorPower	2800 W
Voltage	220V/50Hz
Motor	Induction Motor
Rated Pressure	150 Bar
Maximum Pressure	180 Bar
Rated Flow	13 LPM
Dimensions	920×580×950 MM
