

Empower Chem floor cleaner lemon (E2)

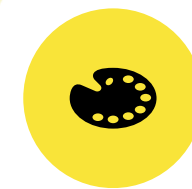

Empower Chem's E2 is a premium floor cleaner that transforms your cleaning routine into a refreshing and effective experience. This vibrant, light yellow liquid is infused with a natural lemongrass scent, leaving your floors not only spotless but also smelling incredibly fresh.

The balanced pH of 6-8 ensures it's tough on dirt and grime, yet gentle enough for daily use on a variety of floor surfaces. The water-soluble formula makes for easy application and a streak-free, brilliant shine, while its robust composition ensures stability and long-lasting performance.
