

Empower Chem Glass Cleaner E3

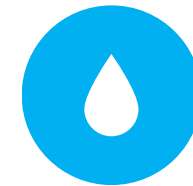

Empower Chem's E3 is a premium glass cleaner engineered to deliver a spotless, streak-free shine on all glass and mirror surfaces. This powerful, clear blue liquid is designed for professional and home use, providing crystal-clear results with every application.

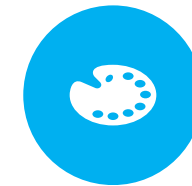

The highly stable, water-soluble formula ensures easy and effective cleaning, effortlessly cutting through fingerprints, grime, and dust. With its balanced alkaline pH of 8.5-10.5, E3 is tough on dirt without leaving any residue, and its odorless nature makes it ideal for use in any environment.

Empower Chem Glass Cleaner (E3)
