

Empower Chem

Toilet Bowl Cleaner – E6

Tired of streaks and smudges that just won't disappear? Empower Chem's Glass Cleaner (E3) is your solution for achieving professional-level clarity on every glass surface. This remarkable cleaning fluid, with its distinct clear blue appearance, is formulated for one purpose: to deliver a flawless, mirror-like shine without the residue.

Our E3 formula works quickly and efficiently, dissolving dirt, grease, and fingerprints on contact. What sets it apart is its completely odorless composition, making it perfect for use in sensitive environments, from homes to offices. With a stable pH range of 8.5-10.5, this powerful liquid is tough on grime but gentle on surfaces.
