

Empower Chem Dishwash – ED1

Experience a new standard in dishwashing with Empower Chem's ED1 Manual Dishwash. This isn't just another soap; it's a powerful, grease-busting solution designed to make your chores feel less like a task.

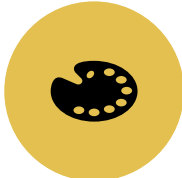

The formula's clear, light yellow appearance hints at its refreshing character, while the vibrant lemongrass scent transforms your kitchen with a clean, natural aroma. ED1's balanced pH makes it strong enough to cut through tough food residue and gentle enough to keep your hands from drying out.

Empower Chem Dishwash – ED1
