Escalator & Travelator Cleaner – Precision Cleaning for Moving Walkways

Keep escalators and travelators spotless and safe with our specialized cleaner. Engineered for high-traffic environments, this machine uses powerful brushes and targeted suction to remove deep-seated dirt, grease, and debris from steps and grooves – without dismantling the system. Compact, easy to operate, and built for commercial durability, it's perfect for malls, airports, metro stations, and commercial complexes. Clean efficiently, reduce downtime, and extend equipment life.
